Dave was previously employed by the Maritime Administration as a Marine Surveyor which was also a job he loved. Dave's true passion was deep sea fishing out of Oregon Inlet and Hatteras, NC. He was known for his ability to always find the Tuna and Marlin on fishing trips. After high school and through college he worked as a mate on charter boats there. He attended Virginia Tech, where he earned a Bachelor's degree in Mechanical Engineering. Dave also earned the Professional Engineer designation by passing the exam on his first try. During his High School years he achieved the highest honor in scouting, Eagle Scout, which he was very proud of.

Madam Speaker, I ask you to rise with me in memory of Mr. Harry David "Dave" Jansohn and in thanking the Jansohn family for his incredible sacrifices, devotion, and service to our Nation; words cannot express our gratitude.

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize Kimberly Sereff of the American Federation of Government Employees on her retirement.

For thirty years, Kimberly has tirelessly served the Federal government within multiple agencies and across a variety of positions. HON. ANDY KIM

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 23, 2021

Mr. KIM of New Jersey. Madam Speaker, I rise today to congratulate Ocean of Love on their 23rd Annual Billboard Radiothon. As September is Childhood Cancer Awareness month, it is imperative that we rededicate ourselves to finding a cure for childhood cancers that impact thousands of families across my district.

During this three day event, Ocean of Love for Children with Cancer has a goal of raising \$109,000 so they can continue their mission of providing excellent support to families facing unimaginable challenges.

Founded in 1988, Ocean of Love has helped over 500 families by providing varying levels of support including grocery gift cards, household expense assistance, scholarships, and caretaker support. Ocean of Love is there to share in the celebration of winning the battle and provides invaluable support for families facing life's hardest tragedy—the loss of a child. Through their bereavement group both for parents and siblings, Ocean of Love is there to stand shoulder to shoulder with Ocean County families.

I commit to them and to families across my district that I will continue supporting efforts to increase research into childhood disease and continue fighting for environmental protections to protect children's health for generations to come. I would like to commend Ocean of Love for their tireless efforts on behalf of these families and wish them all the best with their Radiothon. Thank you for being there to let the families here in Ocean County know that they will never be in this fight alone.

RECOGNIZING JONATHON CLARK

HON. RASHIDA TLAIB

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 23, 2021

Ms. TLAIB. Madam Speaker, I rise today in recognition of Jonathon Clark, an outstanding resident and community advocate in Michigan's 13th Congressional District.

Jonathon Clark was known for his unwavering commitment to helping others in need and ministering to the spiritual needs of those who knew him. In 2019, Mr. Clark accepted his call to preach and did so many times from the pulpit at City Covenant Church in Detroit, where he quickly became a fixture in church leadership. From this place of faith, Mr. Clark demonstrated by example what a man should be. Whether tending to his beautiful family with whom he was gifted upon his marriage to Dawn Wilson-Clark, cooking gourmet meals at home or for a hundred at church, or giving his talents to a number of community works, he was a man who was always aware of the great responsibility we each hold to be good towards one another and of his role in the bigger role in God's plan.

Jonathon was beloved by community members of all ages. He was a caring mentor to

young people and he never shied away from offering a helping hand. Jonathon always followed through on any task he set his mind to. Young people loved him because of his direct honesty and unmasked concern for them. He served in many roles in various community-based organizations, including Chair of the Board for 482forward, board member of The Brightmoor Alliance, Brightmoor Soup, and he was the coordinator for summer camp at City Covenant, where he founded Talking is Teaching, an early children's literacy program, and he served as assistant director of the work experience program at Loyola High School. Jonathon's work in the community has touched the lives of many. In his advocacy on behalf of his neighbors in the Brightmoor community of Detroit, he was fearless in standing up for his community.

Please join me in recognizing Jonathon Clark's outstanding contributions to the communities of Detroit and Michigan's 13th Congressional District, as we honor his memory.

HONORING THE SERVICE OF JOHANNY ROSARIO PICHARDO

HON. LORI TRAHAN

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 23, 2021

Mrs. TRAHAN. Madam Speaker, I rise to honor the memory of Marine Sergeant Johnny Rosario Pichardo, a daughter of Lawrence, Massachusetts. She and twelve other brave American servicemembers tragically lost their lives on Thursday, August 26th at the Abbey Gate of the Hamid Karzai International Airport in Kabul, Afghanistan.

Sergeant Rosario Pichardo will be remembered as a hero for her valiant service and commitment to protecting the freedoms and values that all Americans hold dear. This tragic loss serves as a reminder that when our troops bravely volunteer to serve, both they and their loved ones sacrifice more than we can ever imagine. My heart goes out to Sergeant Rosario Pichardo's family and friends during this difficult time.

Sergeant Rosario Pichardo's legacy lives on through the many people who carry her memory forward. In particular, the residents of Lawrence, especially those who knew her well, will remember her passion for service and her commitment to family.

I am grateful for heroes like Sergeant Johnny Rosario Pichardo who volunteer to risk everything to make the United States and the world a better place and are prepared to give what President Lincoln called the "last full measure of their devotion." We are incredibly fortunate that such brave men and women are among us.

Sergeant Johnny Rosario Pichardo and her fellow servicemembers represented the very best our country has to offer. They will never be forgotten.
